1992 PORTAL CRANE USER MEETING SET FOR SEPTEMBER 9-11

The 1993 annual P&H Portal Crane User's Meeting is now set for September 9-11 and once again, early registrations are already coming in. You are strongly encouraged to attend this valuable meeting where you will have the opportunity to discuss and solve many problems that limit your uptime and cost your company significant dollars. Just one problem solved or idea to improve uptime or safety will make your time investment worthwhile.

The TAPPI/CPPA User Committee has now gone to an annual spring meeting schedule, so there will no longer be a conflict. Attendance lists from previous meetings are also available upon request to further illustrate the value of these meetings. Last fall we had 14 log crane installations represented at the meeting and we expect many more for 1992. See you there!
